

CONSTITUTION 2020

GENERAL

1. The club shall be called South Warwickshire Electric Flyers and will be affiliated to the British Model Flying Association.
2. The principal aim shall be the promotion of safe and responsible electric model aircraft flying. With this in mind it is strongly recommended that each member has immediate access to a first aid kit.
3. All members, without exception, must obey all club rules. Failure to do so may result in disciplinary action by the Club which may lead to dismissal.
4. All members must be members of the British Model Flying Association and must be able to provide evidence of such on request. The only exception to this is for those members who play no active part in the club whatsoever, i.e. social members only.
5. Members may invite guest fliers to the site on no more than three occasions, by arrangement with the Executive Committee but they must be BMFA insured and the club member must assume total responsibility for the actions and safety of the guest.
6. There are two classes of membership.
 - (a) Full membership
 - (b) Junior up to the age of 18 unless the junior remains in continuous full time education, in which case they will retain junior status until the completion of their education

Providing a parent or guardian of the junior is a member of the club, membership for juniors will be free. If the parent or guardian is not a member the junior fee will be charged at half the full subscription rate. However all juniors must still have the appropriate BMFA membership and must always be accompanied by a parent or a guardian at all times they are on the SWEF site.

7. A "member" means any class of membership.
8. A member may be made a life member for extensive services to the club. Life members can only be created by a majority ballot of club members at a general meeting.
9. The Committee has the right to refuse membership to new applicants.

11. Membership renewals fall due on 1st February each year and payment is by direct debit only. If a member has not renewed their BMFA membership at least one week prior to 1st February then their membership with the club & direct debit will be cancelled. Any member who cancels their direct debit with SWEF is assumed to indicate their intention to leave the club and is welcome to apply to re-join as a new member thereafter.
12. Persons letting their membership lapse for one year or more will be required to re-apply for membership and pay the additional £10 registration fee on their return to the club.

13. All field safety rules and regulations will be reviewed annually, and will be considered binding for 12 months, excepting where urgent action is required. This action must then be ratified by the Committee and if necessary implemented immediately, notifying members of any changes. The field safety rules are considered as a supplementary code to those laid out by the British Model Flying Association's Members' Handbook, compliance with which is mandatory within South Warwickshire Electric Flyers.
14. Any complaint concerning any member must be made in writing and signed by the complainant(s). The written complaint must then be forwarded to the Secretary so that the matter can be addressed at the next Committee meeting.
15. The Committee may impose a flying suspension not exceeding 28 days upon any member in the event of misconduct. Any suspension must be accompanied by a verbal and/or written warning as deemed appropriate.

In the event of gross misconduct, immediate dismissal without warnings may be considered but the member must still be accorded his rights to present his case to the Committee and be given a right of appeal.

In the event of dismissal the Committee will arrange for the member's current membership fee to be reimbursed in full.
